Other Information

As my tax agent, Manu Gupta will: prepare and lodge my personal income tax returns; provide general taxation advice; prepare and lodge my BAS, IAS and other statutory documents as requested AND act as my contact with the Australian Taxation Office (ATO) for matters relating to my taxation affairs. This engagement specifically EXCLUDES reviewing or verifying any source documentation, eg receipts, invoices, logbooks, rental property schedules prepared by me or property managers, apportionment records, etc and any inquiries made to us or investigations involving us conducted by ATO.

I understand that I must demonstrate that I have incurred an expense for income producing purposes. I further understand the stringent **SUBSTANTIATION** legislation I must satisfy in relation to work, car and business travel expenses. You have informed me that I must **OBTAIN ORIGINAL RECEIPTS** and keep them for a minimum of five years from the date my return is lodged. The receipts must contain the following details:

- name of supplier; amount of expense; nature of goods and services; date the expense was incurred and date it was made out.

•
You have informed me that I must also prove how I have spent the money for income producing purposes.

Penalties to apply with incorrect returns

You have also advised me that additional tax, penalties, interest and possible prosecution action may be taken against me by the ATO if I provide details that lead to an incorrect tax return being lodged.

Income from sources in and out of Australia for the year of income

You have advised me that as an Australian resident I must declare income from all sources, in **and out** of Australia, including net capital gains received, for the year of income in my tax return.

Apportionment

Where items are used for both business and private purposes, e.g., car, mobile telephone, home telephone, computer, etc., I have records to verify my business usage claim. In addition, my employer will verify that it was necessary to incur such expenditure in earning my assessable income. Further, I have instructed you to prepare the return based on me being able to produce these records, if required.

Audit matters

I further confirm that I am aware of the procedures to follow if a document is lost or destroyed; I may be required to verify any income or expense item noted in my return in the event of an ATO audit; I understand the substantiation schedules you completed for all work, car and travel expense claims; and I have read and understood the tax return prepared for me.

I declare that:

- a. I have disclosed and you have returned all of the income, including net capital gains, which I have earned/received, for the 2016 income year.
- b. All income declared, claims for deductions and tax offsets included in my return are based on my specific instructions and advice that I satisfy the relevant taxation requirements.
- c. I have all receipts or documentation necessary to substantiate the above claims and I will make them available if required by the ATO; and
- d. You have clarified what written evidence (including car/travel records) will be required during an audit and penalties (including prosecution) that may be applied if incorrect claims are identified in an audit situation.
